

Short Description:

Outdoor Softshell Jacket for Men with Stretch Fabric

Product Introduction:

This is a comfortable outdoor softshell jacket for men. 3 layers functional fabric with TPU membrane, waterproof, breathable and windproof. Keep you warm and no sweaty in bad weather or wet working environment. Meanwhile, the fabric is a stretchy to bring you more comfortable wearing experience.

Inner collar with fleece to make your neck warm and comfortable. There is an inner flap under front zipper, then it is good to wear in cold windy days. Detachable hood with elastic drawstring. Self-material cuff adjust sleeve opening. All this designs can keep the wind outside.

As for the color way, we take one blue color and dark gray color. This is a fashion trend color way. Beside these, we have other colors for your choice. Or we can follow your idea to make a brand new design.
