

GL8841 JACKET FOR LADIES

Short Description:

This is a jacket for ladies, with sweater fabric combined with padded on the front body.

Product Introduction:

It's a classic winter jacket for ladies. The outlook is very simple with two pockets.

The fabric is sweater fabric brushed on back, and contrast fabric is 380T nylon outside and inside, polyester in padding. The special sewing stitches all over the jacket is one of the specialty. We can make screen printing logo or heat transfer printing logo on chest or back. The front is reverse zipper and a reflect tape at one side of the zipper. We have many different colors, like light blue and red, etc. You can send us lab-dips for color check.
